The flag is draped and folded, creating deep shadows and highlights in the fabric. The top left corner shows the blue field with white stars, while the bottom right corner shows the red and white stripes.

Dear Friend of the Rally,

As a first-time Rally chair, and a relatively new member of the LNC community, I am deeply indebted to the many people who helped me “learn the ropes” and make the Rally a success.

First, there’s the volunteer Rally team who provided guidance while also reaching out to sponsors, developing and working at the events, creating a new website, designing beautiful flyers and making our bows. You ARE the Rally.

Second, the hard-working and dedicated staff that patiently answered all of my questions and went out of their way to support our efforts.

Third, a hearty thank you to the many loyal and generous businesses that purchased the ads you see here. Please support our sponsors with your business.

And finally, to our generous LNC neighbors who have purchased tributes, bows and hats and will be attending the Rally events – you will have fun while doing good.

Last year the Rally netted over \$60,000 for TOMEC, a local food bank. This year’s goal is to raise a similar amount for local veterans in need through the VALOR Clinic Foundation.

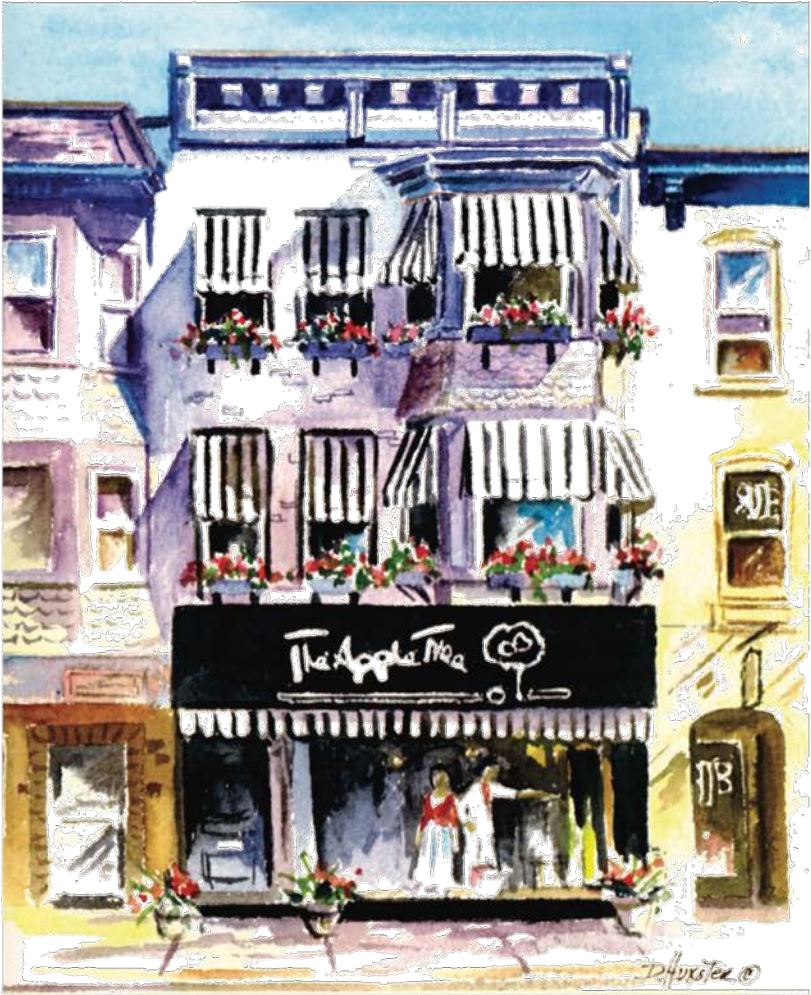

For over 20 years, the Rally has been a wonderful LNC tradition. This year we changed things up a bit. A new Opening Beach Party will kick off the Rally and introduce it to newer community members.

We also created a new event - Family Bingo - which already appears to be a big hit and will attract more families.

The Rally is a dynamic force - open to new ideas to have fun and build community spirit while giving to those less fortunate. Please contact us if you want to join the organizing team.

I invite everyone to participate in this "new" Rally by coming to events and joining us next year to make it even better!

*Thank you,
Lauren Harris*
